D	S LR SR				BF RF R		

Stardust Fascias are an upgrade option and are not sold separately.

- The width of the Fascia rod will measure exactly what is ordered. For an IB mount, order the Fascia rod ⅛" less than the the ordered width of the Stardust Vertical. For an OB mount, order the fascia the same width as the ordered Stardust Vertical. See the Sheer Solutions Price List for complete ordering and measuring instructions.
- End styles are not available on IB and Side Mounts.
- When ordering custom returns, the Fascia Rod must be at least 2½" wider than the ordered width of the Stardust Vertical.

Stardust Verticals at a Glance

Width and Length Dimensions

Minimum Width*: 12** Maximum Width**: 192"
 Minimum Length: 24" Maximum Length: 144"
