**Vasa V9000 Product Standard**  
 The Vasa V9000 standard roller shade is an open roll, clutch-operated shade with nickel chain, non-fascia brackets, and an RF-welded enclosed hem bar. A number of no-charge options (available at time of order) include multiple chain/cord types and colors, reverse fabric roll, and fabric-wrapped hem bars. Since Vasa performs all RF-welds in its Austin factory, custom seam placements are a breeze--just complete the box above.
